The CB-200 is ideal for pizzerias, restaurants, catering businesses, specialty ice cream shops, diet-friendly retail shops, push carts, and more.

The CB-200 can produce super-premium ice cream, gelato, dairy-free options, Italian ice, cream ices, fresh fruit sorbets, custard, and frozen lemonade.

Why continue to buy your products wholesale when you can make your own? With the reliability of the CB-200 and its ability to meet your demand, you can save money by using the freshest ingredients to make your own frozen treats.

As the head chef, you can create any recipe you desire! You have control over the ingredients you purchase, such as the freshest fruits from the local market, gourmet chocolates from your favorite confectioner, and the richest cream from your local farmers.

The CB-200 fits perfectly on any counter for all your frozen dessert needs. With minimal cleanup and all parts dishwasher-safe, it is sure to give your business the edge over your competitors. Let your imagination guide you.

Available in 115V for regular household use!
